

## Awards and Felicitations

RWUA-I offers many awards and felicitations for suitable members; Few of them are as under  
Life Time Achievement Award  
Fellow Award; Best Scientist award; Excellence Award;  
Young Scientist Award: Blue Ribbon Recognition Award  
Young water professional Award

You may contact at the email: [rwuaconference@gmail.com](mailto:rwuaconference@gmail.com) for award registration form

## Conference Advisors

### Mr. Mahendra Mehta,

Former Commissioner, Ministry of water resources, New Delhi, India

### Dr. H.A. Kazmi

Advisor at RODIC Consultant Pvt. Ltd, New Delhi

### Prof. Dr. Y.M. Kool

Former Vice Chancellor, P.K. University, M.P.

### Dr. A.K. Singh

Former Director and Scientist Emeritus, National Bureau of Fish Genetic Research, Lkw.

### Colonel Sudhir Nethan (Retd.)

Environmentalist, Veteran Pilot & Senior Aviation Advisor, India

## Conference Chair

### Prof. Rajendra K. Isaac

President, River Water user Association-India

## Conference Secretary

### Monisha Isaac

Coordinator, Ecosystem Restoration Project, River Water user Association-India

## Conference Committee Members

### Dr. A.K. Pathak

Principal Scientist, National Bureau of Fish Genetic Research, Lucknow, U.P.

### Dr. S.S. Hasan

Principal Scientist, Indian Institute of Sugarcane Research-ICAR, Lucknow, U.P.

### Dr. A.K. Verma

Principal Scientist, Central Institute of Fisheries Research and Education-ICAR, Mumbai

### Dr. D.K. Singh

Principal Scientist, Indian Agricultural Research Institute-ICAR, New Delhi

### Prof. Amerjeet Singh

Professor, MGCGVV, Chitrakoot, M.P.

### Prof. Dr. V. M. Prasad

Former Head, Department of Horticulture, Faculty of Agriculture, SHUATS, Prayagraj.

### Prof. Dr. S.S. Tripathi

Professor, Invertis University, Bareilly, U.P.

### Prof. Dr. Arun A. David

Professor, Department of Soil Science, Faculty of Agriculture, SHUATS, Prayagraj.

### Dr. Govind Singh

Assistant Professor, MGCGVV, Chitrakoot, M.P.

### Dr. Dinesh Singh

Assistant Professor, TERI, Ghaziabad, U.P.

### Dr. Narendra Gupta

Assistant Professor, Faculty of Engg. &Tech, SHUATS, Prayagraj.

# Virtual RiverCon2024

## 11th National Conference on Rivers for Life: Food and Water Security for Sustainable Life

May10-12, 2024

Organized by  
River Water User Association(India)  
International River-Basin Foundation  
WCPI

## River Water User Association-India

RWUA-I plays a pivotal role in the sustainable management of water resources particularly in the areas where rivers are the primary source of water for agriculture, industry and domestic use. RWUA-I encompasses a holistic approach to water management governance, and community development, aimed at promoting the sustainable use and stewardship of water.

## About the Conference

Water and Agriculture are inextricably linked, forming the backbone of food security and sustainable livelihood worldwide. As our planet faces escalating environmental challenges, the imperative to manage water resources efficiently and cultivate resilient agricultural systems becomes increasingly urgent. The conference serves as a platform to explore innovative solutions, foster collaboration, and empower communities to ensure food security for generations to come.

## Conference Themes

### Theme-1:River Basin Management

Sustainable management, conservation and restoration of river eco-system  
Integrated river basin planning and governance  
River floods, and flow management  
Health of river ecosystem and river ethics  
Community engagement and awareness

### Theme-2:Water Efficient Irrigation

Sustainable irrigation practices for riverine agriculture  
Agro-forestry and riparian zone management  
Flood plain farming and aquaculture integration  
Water saving technologies and precision agriculture

### Theme-3:Bio-diversity conservation and restoration

Protecting riparian habitats and aquatic ecosystems  
Restoring riverine bio-diversity for resilient ecosystem  
Sustainable fisheries management and fresh water conservation  
Climate change impact on marine ecosystem

### Theme-4:Agriculture: a future for sustainable life

Climate resilient agriculture practices  
Soil health and nutrient management  
Integrated agriculture management and land use practices  
Next-Gen digital agriculture  
Agro -chemicals and fertilizers  
Sustainable agriculture and horticulture

### Theme-5:Technological innovations

Remote sensing and GIS applications  
IoT and sensor technologies for water and soil monitoring  
Biotechnology for crop improvement and water efficiency

### Theme-6:Community engagement and livelihood

Livelihood based sustainable food system  
Food and nutritional security  
Rural Agriculture banking, sustain ability and policies  
Biofuel and agro- waste based energy  
Rural livelihood

## Theme-7:Climate resilience and adoption

Climate smart agriculture  
Building resilience to floods and droughts in river dependent agriculture  
Early warning systems for climate related risks  
Nature based systems for climate adoption in riverine landscape

## Call for Abstracts

Abstract are invited from multi disciplinary areas focusing theme area of the conference, for online oral and Poster presentations. Full paper may be research, conceptual or review articles on mentioned themes. One page abstract should include, Title of paper, Name of author with their designations and name of organizations,200 to 300 words abstract, including introduction, brief results and conclusions; maximum five key words should be mentioned at the end. All accepted abstracts will be published in the book of abstracts available online. Maximum three abstracts will be accepted from each author. All abstracts should be submitted at the Email: [rwuaconference@gmail.com](mailto:rwuaconference@gmail.com)

## Important Dates

Abstract submission opens : April 15, 2024  
Abstract submission closes : April 30, 2024  
Registration starts on : April 15, 2024  
Registration Closes : May 08, 2024  
Full paper submission Closes: May 08, 2024  
Power Point presentation should be submitted by May 08, 2024

## Registration fee

Faculty and Academic staff from University and Collages	INR 1200/-
Delegates from State/Central Govt. and ICAR	INR 2000/-
Research Fellow, PhD students	INR 1000/-
UG and PG students	INR 800/-
Student Technical members of RWUA	INR 500/-

For registration form write to [rwuaconference@gmail.com](mailto:rwuaconference@gmail.com)

**Limited number of participants/delegates may join free- without participation certificates; You may email to us to receive password for joining free.**

*Registration fee includes award of Certificate of attendance, publication of online abstract, online publication of presented papers in a proceedings with ISBN number (to be published after the conference) and nomination for awards for eligible candidates.*

## Submission of Full papers

Full papers are invited from both, oral and poster presenters for publication in conference proceedings to be published after peer review and revision; The paper should be submitted in standard format (Introduction, Methods, Results, conclusion and references in a word document file in Times New Roman fonts of Title in 16 bold size, all heading in 12 bold size and text in 10 size and 1.2 spacing. The paper should include abstract, figures and tables and clear images. The length of paper should not be more than five pages.

## Keynote Invitations

Proposals for keynote address are invited on above mentioned themes, Senior participants may submit their proposals at the email mentioned above.
