Celebrating World River's Week

"Rivers of Resilience: Sustaining Life, Nourishing Ecosystems"

October 21-27, 2024

Join the International Conference

Organized by

International River-Basin Foundation-WCPI
River Water User Association (India)

Website: <https://www.rwua.org.in/riverday>
Email: worldriversweek@gmail.com

Invitation

We are delighted to invite you to join us in celebrating **International World Rivers Week!**

This special event is dedicated to raising awareness about the vital importance of rivers in sustaining ecosystems, communities, and economies around the world. Rivers are the lifeblood of our planet, and this week is an opportunity to honor and protect these crucial waterways.

WHY TO JOIN

Inspiring Speakers

Hear from environmentalists, river advocates, and community leaders who are making a difference in river conservation and sustainable water mgt.

Keynote Speakers

Hear from leading experts and passionate advocates on the current state of our rivers and the innovative solutions being implemented around the world.

Interactive Panels

Participate in discussions, share your experiences, and learn about global and local initiatives aimed at preserving rivers.

Community Engagement

Connect with like-minded individuals and organizations who are passionate about protecting our rivers for future generations.

Virtual Tours

Experience immersive tours of some of the world's most iconic rivers and learn about ongoing preservation efforts.

Join us in celebrating the wonders of rivers and contributing to their protection. Your participation will help make this event a meaningful and impactful celebration.

We look forward to celebrating with you!

Warm regards,

Rajendra K Isaac

Indian River's Day Founder**

International Conference

THEME

"Rivers of Resilience: Sustaining Life, Nourishing Ecosystems"

This theme emphasizes the critical role rivers play in sustaining both human life and ecosystems. It highlights the importance of resilience in the face of climate change, pollution, and over-extraction of water resources, advocating for sustainable practices that ensure rivers continue to thrive and support the diverse forms of life that depend on them.

SUB THEMES

Restoring River Ecosystems: Pathways to Biodiversity Conservation

Focus on the restoration of riverine habitats to support wildlife and biodiversity.

Climate Resilience Through Healthy Rivers

Exploring how river restoration contributes to climate adaptation and mitigation.

Community-led River Revitalization

Showcasing successful community-driven initiatives in river restoration and sustainable management.

Sustainable Agriculture and Water Management

Integrating river conservation with sustainable agricultural practices to ensure food security and water availability.

Innovative Technologies in River Restoration

Highlighting new technologies and methods that are driving successful river restoration efforts.

Policy and Governance for River Protection

Discussing the role of policies, legal frameworks, and international cooperation in safeguarding rivers.

Rivers as Cultural and Spiritual Heritage

The cultural and spiritual significance of rivers and their role in shaping human civilizations.

Urban Rivers: Challenges and Opportunities

Addressing the unique challenges of revitalizing rivers in urban areas, focusing on pollution, flood management, and green infrastructure.

Youth Engagement in River Conservation

Encouraging youth participation in river conservation & highlighting educational programs.

Rivers and Sustainable Tourism

Exploring sustainable tourism models that promote river conservation and benefit local com-

World River's Week 2024

Submission of Abstract

(Last Date of Submission: October 2, 2024)

(Template available at the website)

Receiving of Acceptance

(By October 7, 2024)

Submission of Extended Paper

(Last Date of Submission: October 12, 2024)

(Template available at the website)

Submission of Power point Presentation

(Submission by: October 15, 2024)

Submission of Full paper

(Optional)

(Last Date of Submission: November 5, 2024)

Registration

Registration form is available at the website

<https://www.rwua.org.in/riverday>

Registration Fee

Participants	Participation only		Presentation		+Publication	
	National	International	National	International	National	International
	INR	USD	INR	USD	INR	USD
Non Member RWUA*	1,000/-	USD20	2,500/-	USD50	1,000/-	USD20
Member RWUA	500/-	USD10	2,000/-	USD40	1,000/-	USD20
Non Member RWUA(student)	500/-	USD10	1,500/-	USD30	1,000/-	USD20
Member RWUA (student)	Free	Free	1000/-	USD20	1,000/-	USD20

**Invited Speakers will be free*

+Registration Fee will include , Certificate of participation/Presentation, Free one year membership to International Association and Guest membership to "SDG Aligned Higher Education Professionals Network"

World River's Week 2024 India

Organizing committee

Advisors

Remco Van Santan,

Director Our Living Land and Water, Western Australia

Prof. Jeff Camkin,

Global Consultant and Adjunct Professor (Water Resource Management), Portugal

Dr. Sundaresan Subramanian,

President, ConsultSubi, Chicago, I L. USA

Mr. Mahendra Mehta,

Ex. Commissioner, Min. of Water Resources, GOI., India

Prof.(Dr.) K. N. Bhatt,

Former Professor, GBPSSI, Allahabad, India

Dr. A.K. Singh,

Scientist Emeritus, NBFGR-ICAR, Lucknow, India

Col. Sudhir Nethan (Retd.)

Consultant and Senior Advisor Skylark Consultants, India,

Prof. Dr. Bijay Singh,

Vice Chancellor, ICFAI University Mizoram

Dr. H.A. Kazmi,

Advisor RODIC Consultant Pvt. Ltd, New Delhi, India

Prof. (Dr.) Y.M.Kool,

Former Vice Chancellor, P.K. University, M.P. India

Dr. A.L. Haldar,

Former Director, RSAC, Lucknow, U.P.

Chair

Prof. (Dr.) Rajendra Kumar Isaac, President RWUA(I), Hony. Director, International River-Basin Foundation, India.

Coordinator

Monisha Isaac, Assistant Director (River Ecosystem) RWUA, India
